Hog Market Was Ten Cents Lower Yesterday.

RECEIPTS FAIR FOR MONDAY

Shippers are Finding That Here Is Place to Sell.

The supply of bogs yesterday was fairly good for a Monday, and while there was Shorp Hors on the market, there were Shorp Receipts, 1000; market steady; native muttons, \$1.0003.50; lambs, \$4.000 good for these decuty times. The market pened punishly and lower and some of the buyers talked about taking off la been no change in the tone of the market here for either staple or fancy goods.
By hower, the buyers seemed annious for
bogs and the pens were cleaned when
the market closed and more hours would bogs and the pens were cleaned when the market closed and more hogs would have found bayers. The order bayers did not set as many bogs as they wented, and present indications warrant the assertion that a good ranny more loop than are new coming to this market would find randy safe, and as such prices that will not leave a profit for the anippers to run past to ensure markets. The commission men absence want more money for their patrons, but anybody who known in the return markets. The commission men absence would be no demand for them here, are returning, and they necknowledge their installe. The Ching there would be no demand for their hors here are getting market higher their hors bere are getting market their hors bere are getting market their hors here are getting market the formal of the Ching their hors here are getting market their hors here are getting market.
